

The VisionTek mini DisplayPort to DisplayPort 2 meter (6 foot) active cable allows you to connect your favorite mDP device to your DisplayPort display or projector. This active cable works without any additional power or drivers. Watch movies in 1080p clarity or tackle your most demanding software applications across multiple displays. The 2 meter (6 foot) cable allows ample length so you can configure your desk or presentation setup however you wish.

PN 901212 | UPC 7 84090 03851 7

NOTE: This cable is not bi-directional. This cable converts mini DisplayPort to SL DVI only, not vice-versa.

VisionTek Display adapters offer a quick solution for your display needs. Our adapters work across all operating systems including OS X, Linux and Windows XP, Windows 7, Windows 8, and Windows 10. Where necessary, our adapters are active for expanded compatibility with multi monitor displays, docks, and digital signage. AMD Eyefinity is also supported with our adapters. Each VisionTek adapter has been extensively tested with HP, Dell, Lenovo and Mac systems to ensure a wide range of system compatibility.
