VisionTek®

DisplayPort to VGA
## 2M Active Cable (M/M)

The VisionTek DisplayPort to VGA 2 meter (6 foot) active cable allows you to connect your favorite DisplayPort device to your VGA display or projector. This active cable works without any additional power or drivers. Watch movies in perfect 1080p clarity or tackle your most demanding software applications across multiple displays without the need for additional cables or adapters. The 2 meter (6 foot) cable allows ample length so you can configure your desk or presentation setup however you wish.

DP ⇨ **VGA**

NOTE: This cable is not bi-directional. This cable converts DisplayPort to VGA only, not vice-versa.

VisionTek Display adapters offer a quick solution for your display needs. Our adapters work across all operating systems including OS X, Linux and Windows XP, Windows 7, Windows 8, and Windows 10. Where necessary, our adapters are active for expanded compatibility with multi monitor displays, docks, and digital signage. AMD Eyefinity is also supported with our adapters. Each VisionTek adapter has been extensively tested with HP, Dell, Lenovo and Mac systems to ensure a wide range of system compatibility.
