

The VisionTek mini DisplayPort to HDMI 2.0 2 meter (6 foot) active cable allows you to connect your favorite mDP device to your HDMI display or projector. This active cable works without any additional power or drivers. Watch movies in perfect 4K clarity or tackle your most demanding software applications across multiple displays. The adapter outputs both high-definition video and surround sound digital audio from your mDP device to your HDMI equipped display, monitor, TV or projector. The 2 meter (6 foot) cable allows ample length so you can configure your desk or presentation setup however you wish.

PN 901215 | UPC 7 84090 03854 8

NOTE: This cable is not bi-directional. This cable converts HDMI to DisplayPort only, not vice-versa.
