

The HDMI to VGA 2 meter (6 foot) cable is perfect for conference rooms or classrooms to connect to projectors or older displays with VGA. Seamlessly connect a newer laptop with HDMI to a VGA monitor or projector. Integrated USB power port boosts the video signal to increase compatibility. This adapter lets you quickly power your analog display without having to deal with additional cables or adapters. Supports resolutions up to 1080p, including 720p and 1200p. No drivers or additional adapters required.

PN 901218 | UPC 7 84090 03857 9

*Not shown: Micro USB to USB 1M cable (M/M) included.

NOTE: This cable is not bi-directional. This cable converts HDMI to VGA only, not vice-versa.

VisionTek Display adapters offer a quick solution for your display needs. Our adapters work across all operating systems including OS X, Linux and Windows XP, Windows 7, Windows 8, and Windows 10. Where necessary, our adapters are active for expanded compatibility with multi monitor displays, docks, and digital signage. AMD Eyefinity is also supported with our adapters. Each VisionTek adapter has been extensively tested with HP, Dell, Lenovo and Mac systems to ensure a wide range of system compatibility.
