

# EZW1327

Tilting Flat Panel Wall Mount Bracket for LCD,LED Monitors & Plasma TVs 13" to 27" inches.

Model EZW1327 low-profile wall mount is made for most 13"-27" LED, LCD flat panel Monitors, TVs, and Touchscreens with a maximum weight of 18kg. The two piece design allows easy installation. Tilt feature allows easy viewing angle adjustment of 12° up and 12° down.

Durable construction for harsh environments: Strength of this mount as been tested at a safety factor over three times its stated load capacity. Integrated bubble level and safety lock screw included. Mounting screws and anchors for wall, and mounting screws for display included (M4). VESA compatible with 75x75 and 100x100.

- Low profile, only 33mm wall distance
- Allows up to +/- 12 degree tilt for optimal viewing
- Strong steel construction for 40lbs standard load
- Easy and fast installation (bubble level, safety lock screw)
- Mounting screws included for both wall and display
