

# Bilateral II Cable Lock for Nano Slots

CODi's Bilateral II Key Cable Lock is made to fit HP's lock slot found on most current HP notebooks and computers. The lock is made to work with notebooks that have a thin chassis, locking horizontally, rather than vertically. It's a simple, compact and effective security solution, that deters theft and helps protect your laptop or tablet and the data that resides within.

## FEATURES

- **INTEGRATED LOCK DESIGN** fits new HP™ security slots on most new, thinner model HP™ notebooks and computers.  
*\*Note: A security slot is required in order to utilize this security solution. Verify device for compatibility.*
- **HARDENED STEEL LOCKING MECHANISM** built to endure wear and deter theft
- **MASTER KEY OPTION AVAILABLE FOR ENTERPRISE USERS** allowing IT or security personnel to remove the lock in the event of missing keys, protecting equipment and saving money
- **SECURES TO DESK LEG, FIXED ANCHOR OR IMMOVABLE STRUCTURE**
- **INCLUDES:**
  - » (1) Bilateral II Key Cable Lock
  - » (2) Serialized Keys
  - » (1) Velcro Travel Wrap
