## **Ambir's PS600ix is the all-in-one solution**

When you go mobile, the TravelScan Pro goes with you. It's USB-powered, so you'll never need to search for an outlet. And at just under a pound and just over a foot long, it fits in any laptop bag and never weighs you down.

In the office, the TravelScan Pro adapts to any task or placement. A compact footprint ensures it fits on cramped desks, busy registration areas and mobile carts, and rugged construction means it stands up to continuous use.

## **Scan anything, anywhere.**

Paper documents. Receipts. Insurance cards. The TravelScan Pro captures it all, creating high-resolution images in color, grayscale or black & white. No matter what you're scanning, the TravelScan Pro does it anywhere there's a USB connection.

## **Plug-and-Play Compatibility.**

The TravelScan Pro's enhanced TWAIN driver ensures it's compatible with thousands of software applications and a broad range of hardware systems. It also means the TravelScan Pro produces enhanced image quality with included auto crop and deskew functions.

<b>Part Number</b>	PS600-AS

## Features & Benefits:

### Ultra-Compact Footprint

At about the size of a three-hole punch, the TravelScan Pro takes up far less space than flatbed scanners. That makes it perfect for crowded desks and mobile users.

### USB-Powered Convenience

Because it's powered by your computer's USB port, you'll never search for an outlet or carry a bulky AC adapter again.

### Superior Media Handling

Because it's powered by your computer's USB port, you'll never search for an outlet or carry a bulky AC adapter again.

### Broad Compatibility

The included TWAIN driver ensures compatibility with thousands of software applications and hardware systems.

### Professional-Grade Quality

Durable and reliable enough for high volume environments like hospitals, banks and busy points of sale.

### Straight-to-PDF Scanning

With included AmbirScan image acquisition software, users can scan directly to industry-standard PDF format.

### Autocontinue Function

This AmbirScan feature allows you to continuously feed media, meaning piles of documents or cards can be scanned quickly.

## System Requirements

Windows 7/8/10  
Pentium 4 processor or higher  
1 GB or more of RAM  
270 MB free disk space  
CD-ROM drive  
Available USB port
