

## 4Vu™ Magnetic Privacy Screen for Lenovo™ T460, T470, and T480 (16:9)

- Protects private information with constrained viewing angles to 30° from either side
- Reduces exposure to blue light by nearly 40%
- DefenseGuard™ Antimicrobial Protection\* creates a cleaner surface and works continuously to safeguard the privacy screen by preventing the growth of microorganisms
- Anti-reflective coating blocks screen glare for a comfortable viewing experience
- Over 12% brighter than competitive solutions for greater clarity and visibility
- Glossy or matte sides to suit your viewing preferences
- Sleek magnetic attachment
- Compatible with Lenovo™ T460, T470, and T480

The 4Vu™ Privacy Screen protects your information using tiny vertical blinds on the surface of the privacy screen, which narrow the viewing angle so data is only visible directly in front of the monitor up to 30° away from the center of the screen.

Onlookers will only see a dark, unclear screen when attempting to view the information from a side angle when held in landscape orientation. In addition to providing security, the screen also helps block the glare from lights and windows. The 4Vu Privacy Screen can be easily attached by using the included attachments.

\*The privacy screen may overlap with the bezel, this is normal. Not recommended for touchscreen devices with the touchscreen option.

\* Antimicrobial protection is limited to the privacy screen itself.

MSRP	\$59.99
Color	Clear
Device Compatibility	Lenovo T460, Lenovo T470, Lenovo T480
