

Docking Station Mounting Bracket

Part Number: K34050WW | UPC Code: 085896340508

Mount your
way to a tidier
desktop.

Support a tidier and more organized desktop with the Kensington Docking Station Mounting Bracket. Offers versatile mounting options for today's modern offices and supports any Kensington Zero Footprint compatible docking station. Maximize desktop space and reduce desktop cable clutter by attaching your docking station to the back of your monitor's stand or monitor arm, or clamp it to a cubicle partition wall, monitor post, edge of a desktop or other accommodating surface. Ideal for ergonomic workstation setups focused on reducing clutter for increased productivity and efficiency.

- **Zero Footprint Mounting** – Maximize desktop space and reduce desktop cable clutter by mounting your docking station.
- **Versatile Mounting Surface Options** – Adjustable clamp easily attaches to a cubicle partition wall, monitor stand or arm, edge of a desktop or other accommodating surface for maximum mounting flexibility.
- **4 Positioning Options** – Can be mounted up, down, left or right to accommodate different docks and workstation setups.
- **Trusted Kensington Compatibility** – Works with a growing list of Kensington's award-winning docking stations, including SD5550T, SD5500T, SD5300T, SD5200T, SD5000T, SD4900P, SD4800P, SD4700P, SD4620P, SD4610P, SD4600P, SD4500, SD3650, SD3600, SD2400T, and SD2000P.
