

Edge 360 Case for 10.2-inch iPad (7th, 8th, 9th Gen)

The Edge 360 case for iPad 10.2-inch (7th, 8th, 9th Gen) is the ultimate pairing of protection and functionality. The case features 360-degree device protection, including a solid TPU base and integrated screen protector. The case uses impact-dispersing Crumple Zone Corner construction to protect vulnerable corners of the device and achieve maximum drop protection. The integrated non-skid stand allows the device to be easily used in landscape mode. The clear back panel of the case is perfect for asset scanning without having to remove the case, making it an ideal solution for the K-12 environment.

Features

- Integrated screen protector encases the device in 360-degree protection with (optional) overlay
- Crumple Zone™ Corners absorb and deflect impact
- Drop tested to exceed Military Drop-Test Standards (MIL-STD-810G)
- Back of case features adjustable, 2-stage stand for typing and viewing modes. Stand lies flush with the back of the case when not in use, and is self-repairing if pushed too far.
- Easy device installation (<5 seconds)
- Detachable stylus holder sold separately
- Tested and approved at a 3rd party lab selected by Apple to ensure this case meets their strict requirements.
