

Expandable performance in a compact form factor

Powered for the enterprise, the high-performance HP EliteDesk 705 SFF delivers impressive value with powerful performance, expandability, manageability and resilient security for the modern workplace.

HP recommends Windows 10 Pro for business

Fast, reliable performance

Enjoy the powerful performance of an AMD Ryzen™ PRO Processor[3], robust storage, and fast memory.

Expansion that extends your investment

Configure the space-saving design of the expandable HP EliteDesk 705 SFF with two bays and two slots, plus, two additional M.2 slots for storage, one M.2 slot for WLAN/BT, and 11 USB ports.

Enhanced security and manageability

Get a PC reinforced by HP Sure Start for AMD[2], HP Sure Run[5], HP Manageability Integration Kit[6], Microsoft System Center Configuration Manager, and HP Sure Sense.[7] Make device management easy with AMD DASH and support for KVM (BIOS only).

Featuring

Let nothing stand in your way

Power through your day with Windows 10 Pro and the powerful security, collaboration and connectivity features from HP. [4]

Protect critical security processes

Keep your critical applications and processes running even if malware tries to shut them down with the self-healing protection of HP Sure Run.

Recovery simplified

Advanced malware attacks can destroy your OS and disrupt your business. HP Sure Recover Gen2 ensures fast, secure, and automated recovery of your OS with only a network connection, so you can minimize downtime and get back to business fast. [10]

Browse confidently

Help protect your PC from websites and read only Microsoft Office and PDF attachments with embedded malware, ransomware, or viruses with hardware-enforced security from HP Sure Click. [11]

Specifications

No Recommended Accessories and Services

Messaging Footnotes

- [2] HP Sure Start for AMD is available on select HP PCs with AMD processors. See product specifications for availability.
- [3] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.
- [4] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- [5] See product specifications for availability.
- [6] HP Manageability Integration Kit can be downloaded from <http://www8.hp.com/us/en/ads/clientmanagement/overview.html>.
- [7] HP Sure Sense requires Windows 10. See product specifications for availability.
- [10] Not available on platforms with multiple internal storage drives. You must back up important files, data, photos, videos, etc. before using HP Sure Recover to avoid loss of data.
- [11] HP Sure Click supports Microsoft® Internet Explorer and Chromium™. Supported attachments include Microsoft Office (Word, Excel, PowerPoint) and PDF files in read only mode, when Microsoft Office or Adobe Acrobat are installed.
