

Bold, powerful sound for every environment.

With the VisionTek SoundTube XL, you can take your music with you while enjoying high quality sound and strong bass. Enjoy the beach or going to the pool? This speaker is built to IPX7 - Waterproof specification. Keep the music going no matter the weather or environment. Enjoy enhanced stereo sound when you pair two Soundtube XLs together with TWS technology. With over 7 hours of playback time, you're set for a day of on the go listening without being tethered to a power outlet.

Features and Benefits

Bold, Powerful Bass

40W stereo sound with heavy bass and 70mm full range drivers for an immersive listening experience.

Waterproof & Dustproof

Stylish design meets dustproof and waterproof, making this the ideal portable speaker for on the go people.

Bluetooth 4.2 & NFC Connections

With Bluetooth 4.2, you get a longer playback time when compared to earlier versions of Bluetooth. NFC allows for quick setup from supported host devices to make connecting a breeze.
