HP Chromebook 11A G8 EE (16W64UT)

The Chromebook built for schools and designed for learning

Help students reach their potential with cloud-first[1] learning on the durable HP Chromebook 11A G8 EE that keeps pace with active student lifestyles while the fast-booting Chrome OS makes IT management easy.

A Chromebook built to withstand students and school days
Give students a Chromebook that can survive a fall off a desk[2], a splash from a soda[3] or a tugged power cord. It resists spills[3] and attempts to remove keys, has metal-reinforced corners, and is 122 cm[2] drop tested—higher than most desks.

Classroom-ready performance
Quickly stream and access textbooks, tests, and more with AMD processors[4] and the Chrome OS. Work continuously with long battery life and fast recharging. Easy to control and manage student interactions with HP Classroom Manager.[5]

Engaging discussions
Show and share Android™ and G Suite apps in class on a lie-flat device. Bring distance learning closer and collaborate remotely in real-time with a webcam and HP Extended Range Wireless LAN. [7]
