Lenovo 300e Chromebook 2nd Gen

This 11.6"" convertible Chromebook offers the versatility of a 360° hinge. Bend into four different modes – Laptop, Tablet, Tent, or Stand – to offer customized ways to plan, teach, learn, and engage. And students can interact with its screen the way they're used to interacting with most devices – through touch. The optional 5MP world-facing camera is perfect for taking photos for class projects.

ENABLING ONE-TO-ONE COMPUTING FOR STUDENTS AND EDUCATORS

Lenovo Mini Series are smaller notebooks for classroom use; they are tested to destruction, easy to manage and affordable.
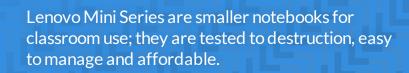

REASONS TO BUY

G Suite for Education lets students and teachers create and share work, manage tests and set homework. For teachers, Google Classroom helps to organize classes, distribute assignments, send feedback, and see everything in one place instantly, and without using paper.

With military-grade rugged build quality, rubber bumpers and reinforced ports, this device can withstand accidental drops or spills at school, at home, or on field trips.

Enhance productivity and collaboration with the integrated HD 720p webcam for audio and video conferencing.
