

EASY COMMUNICATION

PC 8 USB

PC 8 USB

Experience clear-quality internet chats, casual gaming, music and more with the affordable PC 8 USB – featuring a Sennheiser USB soundcard. Plus, with its handy in-line volume/mute control, you have the ultimate in convenience – no need now to fiddle with your computer's settings. Renowned Sennheiser stereo sound and the high-quality noise canceling microphone ensures your conversations are clear.

Benefits and Features:

- Value for money - excellent sound clarity and durability at an affordable price
- Noise canceling clarity – thanks to the noise canceling microphone, your voice is easily understood without you having to shout
- USB plug & play – simply plug in to your PC or Mac USB port and start phoning over the net
- Stereo sound – Sennheiser quality perfect for a range of applications such as music and gaming, too
- Light and comfortable – with the light-weight headband, it's easy to forget you are even wearing a headset
- Easy volume control – the in-line volume/mute control lets you make quick adjustments without fiddling with your computer settings
- Peace of mind – thanks to the 2-year international warranty
