PC 5 CHAT
Headset for Internet use

Enjoy excellent Sennheiser audio while talking over the Internet, e-learning or gaming. The PC 5 CHAT is extremely lightweight and comfortable for wearing it for hours, yet built to last long for active everyday use. The high-quality noise-cancelling microphone assures, that your voice is always clearly understood during your Internet conversations. Instead of buying the PC 3 CHAT and the PCV 05 combo audio adaptor, the PC 5 CHAT is available now to easily connect to your device with one, 4-pole 3.5 mm jack plug.

FEATURES & BENEFITS

– Excellent Sennheiser audio clarity for Internet use and casual gaming
– Noise-cancelling microphone assures always clear conversations
– Lightweight design for outstanding wearing comfort
– Durable build that withstands active daily use
– Plug-and-play simplicity for quick connection to your PC or tablet with 4-pole 3.5 mm jack plug
– 2-year international warranty
