

PW513 4K WEBCAM

Connect, collaborate, and present with ease

CRYSTAL-CLEAR PICTURE QUALITY WITH AN ALL-GLASS LENS

The Live Streamer CAM 513's built-in premium 4K all-glass lens captures astonishing 4K 30fps video that fulfills creators' needs for extremely sharp and high-quality images. With Sony® Exmor™ technology and AVerMedia's precision adjustments, you will be able to present accurate, crystal-clear videos in 4K UHD.

The simple USB 3.0 plug-and-play connectivity, means no annoying driver installation, just plug the webcam into a computer and you are ready to go. The PW513 is compatible with Windows, Mac OS and mainstream streaming software like OBS and more.

The enhanced swivel-arm privacy shutter lets you easily cover the lens with one hand making the PW513 the reliable and secure creator's webcam of choice.
