ProductSheet
HP E24t G4 FHD Touch Monitor (9VH85AA)

Hands-on productivity.

Skip the mouse and keyboard and interact with your content onscreen, without distracting glare and fingerprint smudges, with integrated in-cell touch technology that's fast, responsive, and maintains the monitor's sleek, slim profile.

Total comfort begins with HP Eye Ease.
Keep your eyes comfortable through the work day with HP Eye Ease, our first built-in, always-on blue light filter that presents your vivid content with zero impact on your color accuracy, no OSD required.

Personalize your view.
Never lose a moment of productivity with 4-way monitor adjustability that lets you find your sweet spot, a 3-sided micro-edge, flicker-free 23.8" diagonal screen that reveals more of your work, and Full HD resolution for crisp visuals from any angle.

Remote management for your monitor fleet.
Empower IT to remotely manage monitor deployments, track assets, adjust settings, and more without ever leaving their desks through HP Display Manager[1].

Featuring

Experience simple, convenient connectivity.
Connect to your most frequently-used devices with a range of integrated ports right at the monitor.

Find your comfort zone.
Work comfortably with customizable tilt, height adjustment, swivel, and pivot settings. [2]

Responsibly made.
Energy efficiency is built into every ENERGY STAR® certified, EPEAT® 2020 registered, and low halogen display. We go one step further with 100% recyclable packaging. [3,4]

Take your PC off the desk.
Mount your compatible HP Desktop Mini PC directly on the column stand using the optional HP B300 PC Mounting Bracket. [5]

Personalize and help protect your monitor.
Customize your monitor and help deter its theft with easy, intuitive HP Display Center software that lets you tailor your settings, partition screens, and more through the host PC. [6]

Specifications
