With the iMouse P30 you can deliver presentations and lectures from up to 100 feet away with just the wave of your hand. Control your pc or Mac using our Air Mouse Go Plus as your laser travel mouse, or in the air with adesso's patented motion-sensing technology.

2.4 GHz RF Wireless Technology	Air Mouse	Dual Mode	Universal Compatibility	Multiple Software Compatibility

■ **2.4 GHz Wireless Technology**
With a 100 feet of wireless working distance and 12 different channels each with 65,536 IDs, tangled wires and signal interferences from other wireless devices are a thing of the past.

■ **Air Mouse**
The built-in motion sensor allows waving the mouse in air and the mouse pointer will move according to the waving motion, enabling you to have computer control from anywhere in the room.

■ **Dual Mode**
The iMouse P30 is a 2-in-1 wireless presenter mouse where with a simple switch, it instantly transforms from a wireless desktop mouse to a wireless air mouse presenter.

■ **Universal Compatibility**
The iMouse P30 has universal compatibility with Windows, Mac OS, and Android, making it truly versatile in different operating system environments.

■ **Multiple Software Compatibility**
The iMouse P30 is compatible with some of the most popular presentation softwares such Windows Office (PowerPoint/Word/Excel/OneNote), iWork (Pages/Numbers/Keynote), Prezi, and Google Slides.

■ **Compact & Portable**
Weighing at less than 3 ounces, the iMouse P30 is extremely lightweight, making it stress-free and the ideal presenter/-mouse for both working and traveling.
