

HP Engage One Pro Magnetic Stripe Reader (2U551AA)

Safe, secure payment acceptance without the checkout area clutter

Maintain a streamlined checkout space with the integrated magnetic stripe reader for the HP Engage One Pro. This intuitive, easy to use reader offers secure authentication and payment acceptance, while supporting a range of card types for maximum versatility.

Integrated, space-saving design

Eliminate checkout area clutter with our new space-saving design. The magnetic stripe reader cleanly integrates into the top right side of the HP Engage One Pro for a sleek and functional card reader solution.

A one-stop card reading solution

Read a multitude of unique card types all from a single unit. Accepts chipped or chipless credit and debit cards, employee IDs, drivers' licenses, loyalty cards, and gift cards.

Ultra-secure encryption

Enjoy worry-free transactions and help keep customer data protected. Support for Remote Key Injection also delivers a fast, cost effective, and more secure alternative to older traditional data encryption methods.[1]
