

Brush Plate for 6U, 9U and 12U V7 Rack Wall Mount Cabinets

RMWCBRUSHACCS

SKU: 8FY291

Cooling efficiency improves performance, reduces operating costs, and extends the lifespan of your networking equipment. The Brush Plate for V7 Wall Mount Rack cabinets helps organize cables, keep the dust out, and improve cooling efficiency by maintaining proper airflow through your rack with this brush plate. Give your rack a professional appearance and easy maintenance by separating the cables through the dense brush. The sturdy brush plate comes with mounting hardware for quick deployment. Compatible with V7 6U, 9U and 12U Rack Wall Mount cabinets.

- Improved cooling efficiency by blocking unwanted airflow to prevent air recirculation inside your rack cabinet
- Better organized cables coming in or out while keeping the dust off the cabinet
- Easy maintenance by separating your cables through the thick nylon brush giving it a professional appearance
- Sturdy steel plate and dense nylon brush comes with mounting hardware - Fits securely to the existing cable routing panel
- Comes with a 5 Year warranty and is both ROHS and REACH compliant
