

RAPTURE

Protection Phone Case

PROTECTION WHEN YOU NEED IT!

You won't believe the quality behind the Rapture® protective phone case. The Rapture uses a two-line defense, that includes an inner silicone core, to absorb shock from drops, and an exterior polycarbonate shell that will protect your iPhone 14 from cuts, dings and cracks. Featuring a slim design and a soft matte finish, this case is easy to slide in and out of your pocket, while feeling smooth in your hand. Complete access to all ports and functions allow this case to be as functional as it is fashionable.

FEATURES

- Shock Absorption: An inner silicone core helps absorb shock from drops.
- Polycarbonate Shell: A polycarbonate outer shell creates maximum defense against cuts, dings and cracks.
- Slim Design: A sleek design allows for easy access in and out of pockets.
- Soft Matte Finish: A soft matte finish allows this phone to feel comfortable in the palm of your hand.
- Complete Access: With total access to all ports and functions, with no buttons unavailable, this case offers total usage of your phone
- Wireless charging compatible
