

The VisionTek DisplayPort to DisplayPort 4.5 meter (14.8 foot) cable allows you to connect your favorite DP device to your DP display or projector. This cable works without any additional power or drivers. Watch movies in perfect 4K clarity or tackle your most demanding software applications with full DP 1.4 compatibility. This cable is backwards compatible with DP 1.3, 1.2, 1.1 and 1.0 standards.

VisionTek display cables offer a quick solution for your display needs. Our cables work across all operating systems including OS X, Linux and Windows XP, Windows 7, Windows 8, and Windows 10. Where necessary, our cables are active for expanded compatibility with multi monitor displays, docks, and digital signage. AMD Eyefinity is also supported with our cables. Each VisionTek cable has been extensively tested with HP, Dell, Lenovo and Mac systems to ensure a wide range of system compatibility.

Convenient DisplayPort to DisplayPort cable directly connects a DisplayPort (DP, DP++, DisplayPort++) equipped computer to an HD monitor or projector with DisplayPort input.

DisplayPort cables transmit high-definition audio and video from your computer to a monitor for video streaming or gaming; The Display cable connects and configures your monitor for an Extended Desktop or Mirrored Displays.

DisplayPort cables support video resolutions up to 8K (7680 x 4320, UHD TV), 4K (3840 x 2160, Ultra HD) and 1080p (Full HD), and flawless audio pass-thru for uncompressed digital 7.1, 5.1 or 2 channels.
