ABOUT

The TW110 ERGO Headset combines ThinkWrite Technologies' ergonomic-friendly headphones with microphone capabilities for full connectivity and hours of comfort. Equipped with 30mm drivers delivering extraordinary sound, this design provides the ideal amount of compression and frequency isolation for clear audio without applying unnecessary pressure to delicate ears. A flip-down, omnidirectional microphone boom positioned optimally for voice recording makes the ERGO an ideal on-ear headset for connecting with fellow coworkers, clients, students, and your favorite people.
