ADD-PRIVSCN169HF27
27" Hanging Frame Privacy Screen 16:9 Ratio

Product Description

This is a 27" anti-blue light and full acrylic frame privacy screen filter created desktop monitors with 16:9 aspect ratio. The filter is matte with scratch resistant coating to prevent scratches and dust. The anti-blue light filter reduces blue-light exposure to decrease eye strain and damage over long periods. It also uses a 0.75" acrylic tab which allows the filter to hang over the screen. The filter measures 615*370mm, 2.5mm thick, and has a privacy angle of 30° left and right. This easy-to-use full acrylic frame privacy screen requires no additional installation and is perfect for all users who work and play off their desktop. These are environmentally friendly products that can be easily disinfected by any popular branded cleaning or alcohol wipes. Our filters are backed by a 1-year warranty.

Specifications

Parameter	Specification
Application	PC Monitor
Mounting Type	Acrylic Hanging Tab
Size	(615*370mm) 16:9 ratio 27" diagonal
Thickness	2.5mm
Surface	Matte
Transparency	65 ± 5(%)

UV Light Filtering	95%
Privacy Angle	30° Left/Right
Function	Privacy, Anti-Glare, Screen Protection
Product Weight	1.2lbs

About AddOn Networks

In 1999, AddOn Networks entered the market with a single product. Our founders fulfilled a severe shortage for compatible, cost-effective optical transceivers that compete at the same performance levels as leading OEM manufacturers. Adhering to the idea of redefining service and product quality not previously had in the fiber optic networking industry, AddOn invested resources in solution design, production, fulfillment, and global support.

Combining one of the most extensive and stringent testing processes in the industry, an exceptional free tech support center, and a consistent roll-out of innovative technologies, AddOn has continually set industry standards of quality and reliability throughout its history.

Reliability is the cornerstone of any optical fiber network and is in engrained in AddOn's DNA. It has played a key role in nurturing the long-term relationships developed over the years with customers. AddOn remains committed to exceeding industry standards with certifications from ranging from NEBS Level 3 to ISO 9001:2005 with every new development while maintaining the signature reliability of its products.
