

Rich, clear sound for every adventure.

With the VisionTek SoundTube Pro V3, you can listen to your music anywhere you go. Enjoy high-quality sound with rich bass and clear treble. The Waterproof IPX7 rated build makes this an ideal portable speaker to take to the beach or back trails. With TWS technology, you can connect two SoundTube Pro V3 speakers for a true stereo experience.

Features and Benefits

Rich, Clear Music

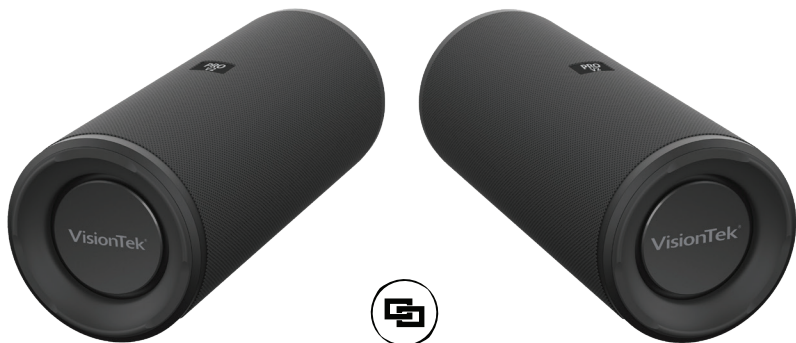

With dual passive radiators and two built-in speakers, enjoy rich bass and clear treble wherever you go. The speaker and radiator design allows for full 360° sound.

Waterproof & Dustproof

The SoundTube Pro V3 is the ideal portable speaker for on the go people. Its compact stylish design paired with its waterproof and dustproof features mean you don't have to worry about it getting wet. Whether is poolside or at the beach, the IPX7 Waterproof rating allows for up to 30 minutes underwater at a depth up to 3 feet.

Bluetooth 5.0 & NFC Connections

Bluetooth 5.0 technology provides a lower power consumption connection so you can listen to the best songs all day long. With the 30 foot signal range, you're free to move about while enjoying your music. The SoundTube Pro V3 also supports NFC devices for faster pairing.
