Dual Conference Table Power Outlet Box with 2x USB Ports

Product ID: KITBZPOWNA

Add two AC outlets and two USB charge ports in your boardroom, classroom or huddle space with this meeting room power center.

Modern office environments need to support technology more than ever, to keep laptops, phones and tablets connected with this desktop power outlet with USB charging. During meetings, lectures and conferences, you may need access to power when your battery is running low or a meeting is running long.

Providing two power outlets, this conference table charging station makes it easy to power laptops using the AC power outlets, and charge phones and tablets using the 2.4 amp USB ports.

Design a practical and stylish solution that impresses your visitors and facilitates their needs. The recessed power strip socket is easy to install in a conference room table, desk or lectern, and features a black aluminum finish that complements your table and your peripherals.
