Free Standing Dual Monitor Mount

Amer Mounts' 2XS free standing dual monitor stand can mount two screens from 13" to 27" in size and 22 lbs/10kgs weight. It supports VESA standard 75x75mm or 100x100mm. Monitors can be placed in portrait or landscape orientation. Adjustable arm offers +90° to -90° tilt, 180° swivel, 360° rotation, and height adjustment along the center pole. The monitor stand has heavy duty base that measures 10" by 12.5" providing solid stability while monitors are held within its center of gravity. The bottom of the base features padding to protect your desk from scratches. We provide all the necessary tools and hardware for assembly. Mounting your monitor is a simple process with removable VESA plates.

Features:

- Heavy Duty Base: keeps you monitors safe from tipping
- Detachable VESA Plates: quickly attach or remove your monitors
- Cable Management: clips included for routing wires
