DESIGN FOR GAMERS AND CREATORS

GD160 is designed to enhanced ergonomic use and cable management. This is our solid all use table for any gamer or content creator looking for maximum workspace.

FEATURES

• **BALANCED WORK AND PLAY**

Cooler Master GD160 is perfect for gamers, youtubers, streamers, and vloggers. With the right amount of space, the users can create their own inspiring work eco-system.

• **NO NONSENSE WORKHORSE**

The GD160 does exactly what it says, it's a solid table with plenty of space to cater to all needs. If you're looking for a durable, lasting tables that won't dent or dip, this is it.

• **NO MORE TANGLED WIRES!**

The rear steel tray on GD160 hides your cables and adapters out of sight and keeps your workspace clean and tidy.

• **FRIENDLY WORKSTATION**

The GD160 has a unique table shape that was designed to offer enhanced ergonomics such as the belly trim that reduces the distance between body and table center as well as "safe" chamfered corners for the moments when we manage to hurt ourselves by bumping into the table corner.

• **WATER-RESISTANT & EASY CLEAN**

The full-surface mousepad is also water resistant, and easy to clean. Any cool fluids don't absorb into the mat, prolonging its life and preventing "gamer stank."
