

HP Professional 15.6-inch Laptop Bag (500S7AA)

Designed With You and the Environment In Mind

Now you can feel good about the backpack you use to protect your laptop. Designed to keep your laptop protected and accessories organized, the HP Professional 15.6-inch Laptop Bag uses environmentally-responsible materials that are durable, easy to clean and designed for comfort. Plus, these bags now come with a touch of color to the internal lining and zipper.

Sustainable Style

Carry and protect your laptop in style and feel good about it at the same time. The main material of the HP Professional 15.6-inch Laptop Bag is made from 100% ocean-bound plastics while all tags, strings and stuffing are sourced from 100% recycled biodegradable materials[1]. And now it comes with a touch of color[2].

Safe and Secure

Make it harder for light fingered thieves and electronic pickpockets. An RFID pocket protects your credit cards and data from scanners while double-coil, lockable zippers and slip pockets keep your possessions tucked away and secure. Plus there's a Bluetooth® tracker pocket to house your tracking device[3] that locates your bag.

Grab and Go Organization

Stay organized with this clutter-free carry-all any time you need to move around, whether working from home or on the go. Numerous slip and zip pockets provide a secure home for your devices, peripherals and cables, plus a convenient cable pass-through keeps your phone, power bank or headphones connected while you are on the move.
