HyperX Armada Addon Gaming Mount (66X82AA)

Additional arm for major multi-tasking.

Deploy your Armada! The HyperX Armada Gaming Mount Addon is an additional arm for use with the Armada desk mount. It's compatible with all HyperX monitors and most displays that use VESA 75mm and 100mm patterns. Attach the arm to the back of the monitor, mount it to your Armada desk mount, and presto, your ergonomic multi-monitor battlestation is ready for action. Each metal arm is solidly constructed and can support monitors up to 32 inches in size, and 20 pounds in

Works with HyperX Armada Single Gaming Mount
The Armada Gaming Mount Addon is an addon arm that fits the desk mount of the Armada Single Gaming Mount. Arms fit all HyperX monitors and most displays with VESA 75mm and 100mm patterns.

Quick and easy setup
Attaching a monitor is a breeze, simply use the included Allen key and screws to attach the monitor to the pre-attached VESA plate.

Superior metal build quality
Don't entrust your monitor's safety to flimsy plastic arms! Armada arms are solidly-constructed out of durable metal and support monitors up to 32 inches and 20 pounds.
