

V7 Bluetooth Keyboard and Mouse Combo Chromebook Edition

CKW150BTUS

SKU: 8TP870

Finally a keyboard to match your Chromebook or Chromebox with dedicated ChromeOS Launcher and shortcut keys. It's Works With Chromebook certified, so it is designed to work seamlessly with your Chromebook to install critical firmware updates in the background to your keyboard and mouse. It features the latest Bluetooth 5.2 low energy specification allowing for longer battery life.

This product works with devices capable of running the latest version of ChromeOS and has been certified to meet Google's compatibility standards. Google is not responsible for the operation of this product or its compliance with safety requirements. Chromebook and the Works With Chromebook badge are trademarks of Google LLC.

- Dedicated launcher and shortcut keys
- Compatible with all devices supporting Chromebook and Bluetooth
- Compact keyboard design with number pad for portability and productivity
- Lasered character keys resist wear
- 3-button Bluetooth 5.2 mouse with easy connect pairing
