

## OCPC Gaming - KR1 Premium Mechanical Keyboard

SKU: 901540

The OCPC KR1 premium mechanical keyboard is outfitted with smooth linear Gateron Red switches. With a solid aluminum top and customizable per-key dynamic RGB backlighting the KR1 is perfect for gaming, daily work, office environments, or anywhere mechanical keyboard performance is key.

- Pure typing via 100% anti-ghosting technology
- Ergonomic design with sturdy Aluminum Top
- 104 Key Full-size keyboard including number pad and addressable function keys
- Per Key Programable RGB Backlighting

## OCPC Gaming - KR1 Premium Mechanical Keyboard

### Key Features:

- Full Keyboard Layout 104 Keys
- 100% Anti-Ghosting
- Aluminum Top
- Per-Key RGB Lighting
- 12 Lighting Effects Modes
- Gateron Red Switches

### 100% Anti-ghosting

KR1 anti-ghosting ensures that all keystroke inputs are registered and accurately reported to the system, even if the keys are pressed at the same time.

### Aluminum Body

Durability is key to prevent warping for extended use. The KR1 has a durable aluminum top plate for a longer-lasting hardware design. Instead of worrying about wear and tear with denting or chipping, the keyboard body is ideal for gamers who want a sturdy keyboard that will stand up to long hours and extended use.

### Switch Type

The KR1 is outfitted with Gateron switches, which are known for their reputation as the smoothest mass-produced key switches on the market. Boasting a 50 million keystroke lifespan per switch, these switches are perfect for gaming, daily work, office environments, or anywhere mechanical keyboard performance is key.

### Switch Set

This keyboard houses Gateron Red Switches are the switch type most often chosen by elite gamers, and offer a silent actuation sound for non-disruptive, fast-paced keystrokes.

### Switch Properties

The KR1's linear switches provide quiet clicking for optimal keystrokes that are quiet as possible for a mechanical keyboard, removing the audible click or bump at the actuation point.

### What's In The Box:

- KR1 Mechanical Keyboard
- Switch Key
- User Manual

## Gateron Switches

### Technical Specifications

#### Part #

901540

#### Keyboard Connection

USB-A

#### Switches

Gateron Red

#### Switch Details

Actuation: 45 ±15gf (45g actuation force)

Travel Distance: 2mm

#### Switch Rating

50 Million Keypresses

#### Working Voltage

5V /300mA

#### Cable Length

1.5m

### System Requirements

#### Operating Systems:

Windows 11

Windows 10

Window 8.1

Windows 7

ChromeOS

Linux

**Note: KR1 Software Compatible with Windows 10, Windows 11**

#### System Connection

USB-A

### Warranty

## Warranty:

2 Year Limited\*
