Engineered to deflect everyday scratches and other minor screen damage, this transparent, ultra-thin Targus® Antimicrobial Screen Protector safeguards your iPad® (10th gen.) 10.9-inch screen — without sacrificing touch response. Plus, enjoy greater productivity and viewing ease with a cleaner, clearer, fingerprint-free screen.

Application couldn't be easier: In a few simple steps you'll have seamless, bubble-free results. Includes screen protector, cleaning cloth and application card. Protect your technology investment and peace of mind with the addition of this custom-fit Targus Screen Protector.

Ideal for touch screen applications, the screen protector features Targus DefenseGuard™ Antimicrobial Protection, which creates a cleaner touchpoint surface and works continuously to prevent the growth of microorganisms. Unlike typically applied sprays, DefenseGuard screen protectors are treated with an antimicrobial additive that does not wear off and lasts for the life of the product.
