

Say Hello to Looking Good

This Windows Hello compatible^[1] webcam logs you in seamlessly and securely while AI-enhancements help you look good from the start. Effortlessly look your best wherever you find yourself with Full HD resolution, customization and automatic background adjustments.

Looking Good Has Never Been Easier

AI features automatically make you look good so you can simply focus on your performance. Show up with confidence thanks to Zoom certification and represent your true self with FHD 1080p, auto focus and auto backlight correction and two background noise-reducing microphones.

Simply Secure

Take center stage confidently knowing your security is in good hands and make the login process seamless with Windows Hello^[1] face authentication. Plus, the physical privacy cover lets you decide when to share, and the activity light reminds you when you're live.

You're in Control

Stay in control of how you present yourself by customizing your Full HD webcam settings in HP Accessory Center^[2]. Take control of the perfect angle with AI face framing, digital zoom, adjustable field of view, and specific image controls like brightness and more.

Featuring

Full HD Video Quality

Hop on video calls looking sharp from the start with FHD 1080p at 30 FPS, HD 720p at 60 FPS, auto color and backlight correction.

Windows Hello Compatible

Forget memorizing complicated passwords and make the login process seamless thanks to Windows Hello facial recognition compatibility.^[1]

Conference Compatible

Zoom Certified and compatible with leading conferencing apps, this webcam helps you show up at your best wherever you are.

Adjustability

Capture anything by simply pointing it where you want to with a 360° swivel, 90° down tilt and 66°, 78°, or 92° adjustable field of view.

Auto-focus & Zoom

With a webcam that automatically keeps your image looking sharp and great, you can stay focused on the conversation. Zoom in and out as you need with crisp definition.
