

Track Tag

.....

Helps you find your stuff!

Overview:

Aluratek's Track Tag attaches easily to your keychain, bag, wallet, vehicle, or other personal accessories. Misplacing something like your keys doesn't have to be a big deal when it has Track Tag attached. You can play a sound on the built-in speaker by going to the Items tab in the Find My app. Just follow the sound and your search is over.

When you've left something far behind, the Find My network helps track down your Track Tag by sending out a secure signal that can be detected by nearby devices in the Find My networks. The whole process is anonymous and encrypted to protect your privacy.

Features:

- Compatible with Apple Find My network. Provides an easy, secure way to locate compatible personal items on a map using the Find My app on your iPhone, iPad, Mac, or the Find Items app on Apple Watch.
- Allows you to quickly attach and detach to keys and accessories for maximum practicality and convenience.
- Limited 1 Year Warranty
