HP recommends Windows 11 Pro for business

#### Dynamic performance

- Featuring the latest AMD processor<sup>2</sup>, long battery life, three USB Type-A ports (USB 3.2 Gen 1), and one multifunction USB Type-C<sup>®</sup> port, the HP EliteBook 655 is easily serviceable and available globally helping to simplify manageability across your fleet of PCs.

#### Protected by HP Wolf Security

- HP Wolf Security for Business creates a hardware-enforced, always-on, resilient defense. From the BIOS to the browser, above, in, and below the OS, these constantly evolving solutions help protect your PC from modern threats.<sup>3</sup>

#### Make connections that matter

- Take presenting in a hybrid work environment to the next level. Let your audience see you clearly with an optional 5MP IR camera<sup>4</sup> with HP Auto Frame.<sup>5</sup> Enjoy the crystal-clear audio performance delivered by HP Dynamic Voice Leveling<sup>6</sup> and HP AI Noise Reduction.<sup>6</sup>

#### Outer box packaging 100% sustainably sourced

- This PC contains at least 30-percent post-consumer recycled plastic in the bezel, at least 50-percent post-consumer recycled plastic in the keycaps<sup>8</sup>, and the outer box packaging is 100-percent sustainably sourced.<sup>9</sup>
- Manage and monitor your battery's performance and condition and customize charging options with the easy-to-use HP Power Manager dashboard.<sup>7</sup>
- The HD camera with temporal noise reduction<sup>6</sup> lowers the effects of visual noise and pixelation. HP Backlight Adjustment includes dual image sensors, that balance contrast, background, and foreground lighting so you can capture all the details.<sup>5</sup>
- This PC contains at least 30-percent post-consumer recycled plastic in the bezel, at least 50-percent post-consumer recycled plastic in the keycaps, and the outer box packaging is 100-percent sustainably sourced.<sup>8,9</sup>
- Move around a little without losing viewers' attention during video calls with optional HP Auto Frame.<sup>5</sup>
- HP Dynamic Voice Leveling automatically optimizes voice clarity within 3-meters of the PC. HP AI Noise Reduction uses noise-filtering technology to enhance audio conferencing experience even while wearing a mask.<sup>6</sup>
- Optional TÜV certified HP Eye Ease low blue light anti-glare panels help remove blue light waves while vivid color accuracy.<sup>10</sup>
- Help speed up image creation and the management of hardware, BIOS, and security when managing devices through Microsoft Endpoint Manager with the HP Manageability Integration Kit.<sup>11</sup>
- Firmware attacks can completely devastate your PC. Stay protected with HP Sure Start Gen7, the self-healing BIOS that automatically recovers itself from attacks or corruption.<sup>12</sup>
- Stop unwanted changes to security settings and help limit the spread of malware with HP Sure Run Gen5 which identifies, quarantines, and provides reporting on attackers trying to kill processes.<sup>13</sup>
- Instantly block prying eyes' ability to view your screen with optional HP Sure View Reflect that produces a copper reflective finish when the screen is viewed from the side making it appear unreadable.<sup>14</sup>
- HP Sure Recover Gen5 ensures fast, secure, and automated recovery of the OS over LAN or Wi-Fi<sup>®</sup> from advanced malware attacks. End users can now pause or retry if the connection is lost and it's corporate image ready for fleet deployments.<sup>15</sup>
- Help protect your PC from websites and read-only Microsoft Office and PDF attachments with malware, ransomware, or viruses with hardware-enforced security from HP Sure Click.<sup>16</sup>
