HS5200MU CONNECT

USB Mono Headset with Boom Microphone

- Lightweight Comfort+ Design**
- Noise Cancelling Boom Microphone**
- Protein Leather Ear Cushion**
- USB In-line Volume Controls/Mic Mute**

■ Lightweight Comfort+ Design

our lightweight comfortable design will encourage you to work smarter and play longer. USB connector is compatible for PC/Mac and our inline volume/mute control with mounting clip allows you to attach to your shirt for cable management

■ Noise Cancelling Boom Microphone

Noise Canceling Boom Microphone has 240 degree rotation and can be positioned on your right or left for all day productivity. We use a specialized IC to provide the noise cancellation in our Boom Microphone. The technology allows us to identify the source of the noise and electronically filter it out of the conversation.

■ Protein Leather Ear Cushions

designed to deliver comfort, with memory foam insulation and soft protein leather earpads, to simulate the natural feel of leather on your skin

■ USB In-line Volume Controls/Mic Mute

allows you to adjust the volume up or down, as well as mute the microphone when needed. Comes complete with a USB-A Connector and a USB Type-C Adapter, so it can connect to your PC/Mac with Plug and Play ease. No Driver required.
