

Poly Blackwire 8225-M Microsoft Teams Certified USB-C Headset TAA (7E2K8AA)

Stay distraction-free on calls

Is background noise affecting your productivity? Reduce noise and increase focus with the Poly Blackwire 8225 headset with a noise-canceling microphone enhanced with Acoustic Fence technology and advanced hybrid active noise canceling (ANC).

Sound like a winner

With the Blackwire 8225, your voice is the only thing heard, not the chaos around you. Its noise-canceling microphone with Acoustic Fence technology puts you in a quiet office, even if you're in a noisy kitchen.

Stay focused

It's no secret that tuning out background noise makes you more productive. Hybrid active noise canceling (ANC) makes it easy to escape the noise around you. And three ANC settings mean you can fine-tune your level of quiet where you work.

Long-lasting comfort

The Blackwire 8225 is crafted from premium materials with a lightweight design. You will get a comfortable, customized fit using adjustment markers and 180° pivoting speakers. You'll fall in love with the aesthetic design and robust look and feel.

Featuring

Advanced hybrid ANC

Optimize audio comfort and quality with advanced hybrid active noise canceling (ANC) by choosing between three settings.

Acoustic Fence technology

Reduce disruptions from close talkers and environmental noise with the flexible, noise canceling microphone enhanced with Acoustic Fence technology.

Connectivity options

Allows greater flexibility of use by offering choices: USB-A or USB Type-C®.

Lightweight design

Padded headband and soft leatherette ear cushions provide all day comfort.

Inline control

Easy-to-use inline call control with call answer / end, mute, volume up / down buttons and a three-setting ANC switch.
