

# Poly Voyager Free 60+ UC M White Sand Earbuds +BT700 USB-A Adapter +Touchscreen Charge Case (7Y8G7AA)

## Overview

### True wireless earbuds for work and life

Tune into a world full of sound and free of noise with these earbuds. Whether you're on a video call or into your playlists, these wireless earbuds are designed to keep you productive, connected and entertained.

### Say hello to your new work buds

Each bud has a three-mic array that triangulates on your voice and minimizes surrounding noise so you're always loud and clear. Whether you are in a video meeting or a call, these wireless earbuds are designed to keep you productive and connected.

### Won't wear out its welcome before you finish your day

Designed for all day wear, these ear buds are lightweight, come with 3 sizes of conical-shaped ear tips engineered for maximum comfort, and advanced sidetone technology that keeps you aware of how loud you are speaking so you aren't straining your voice.

### Status and audio controls at your fingertips

The touchscreen charge case lets you remotely control your earbuds, switch Bluetooth® connections and wirelessly connect to inflight entertainment systems in addition to fully recharging your buds two times.

## Features

### **Clear, distraction-free calling**

Stay focused and keep out the distractions of the outside world with adjustable hybrid adaptive active noise cancelling (ANC).

### **Discrete, comfortable design**

Designed for hours of comfortable use in even the most demanding enterprise environments, you'll look and sound your best on calls with these discreet wireless earbuds.

### **Charge case with touch screen**

Easily connect, configure and control your earbuds including mute using the touchscreen charge case.

### **Advanced noise reduction**

With three microphones per earbud and WindSmart technology for clearer outdoor calls, you'll always be heard above the background noise.

### **Easy connection to Bluetooth® devices**

Connect up to two Bluetooth® devices at any time with multipoint technology (remembers up to 8 Bluetooth® devices). Easily manage which two devices via the touchscreen charge case.

### **Wirelessly connect on airplanes**

Perfect for airplanes: Easily switch to airplane mode and connect to inflight entertainment systems via 3.5 mm connection on the touchscreen charge case.

## Additional specifications
