Looking Good Has Never Been Easier

AI features automatically make you look good so you can simply focus on your performance. Show up with confidence thanks to Zoom certification and represent your true self with FHD 1080p, auto focus and auto backlight correction and two background noise-reducing microphones.

You're in Control

Stay in control of how you present yourself by customizing your Full HD webcam settings in Poly Lens². Take control of the perfect angle with digital zoom, adjustable field of view, and specific image controls like brightness and more.

Simply Secure

Take center stage confidently knowing your security is in good hands and make the login process seamless with Windows Hello¹ face authentication. Plus, the physical privacy cover lets you decide when to share, and the activity light reminds you when you're live.

Full Adjustability

Capture the world around you without disrupting your setup. Whether you're framing yourself, showcasing a product or showing off the views, you can point this webcam freely to wherever you need thanks to 360° swivel, tilt down up to 90°, and an adjustable field of view of 66°, 78°, 92°.

HP 620 FHD Webcam

Full HD Video Quality

Hop on video calls looking sharp from the start with FHD 1080p at 30 FPS, HD 720p at 60 FPS, auto color and backlight correction.

Windows Hello Compatible

Forget memorizing complicated passwords and make the login process seamless thanks to Windows Hello facial recognition compatibility.¹

Conference Compatible

Zoom Certified and compatible with leading conferencing apps, this webcam helps you show up at your best wherever you are.

Adjustability

Capture anything by simply pointing it where you want to with a 360° swivel, 90° down tilt and 66°, 78°, or 92° adjustable field of view.

Auto-focus & Zoom

With a webcam that automatically keeps your image looking sharp and great, you can stay focused on the conversation. Zoom in and out as you need with crisp definition.

Privacy Cover

Additional peace of mind with the physical privacy cover. Plus, always know when you're live thanks to the activity light.

Dual Microphones

Two noise-canceling microphones help you hear and be heard with crisp clarity, even if there's noise in the background.
