Sound without earphones

- Open-ear fit. Light, comfy, tough
- Integrated controls. Easy pairing
- Philips Headphones app. Custom sound control and more
- Carry pouch included

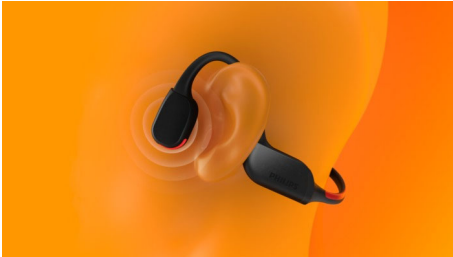

PHILIPS

Open-ear wireless sports headphones
Open-ear fit Bone conduction, Clear calls, LED safety lights

TAA7607BK/00

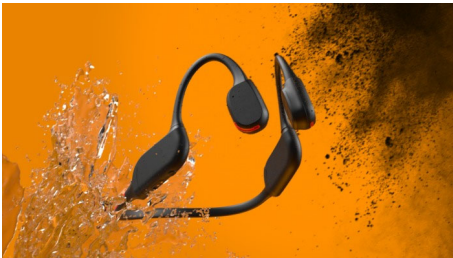

Highlights

Bone conduction

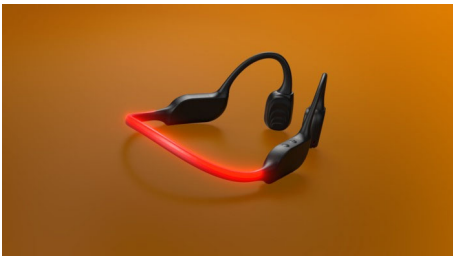

Bone conduction technology transmits sound through the bones of your skull, which means you don't need to put an earbud in your ear, or wear headphones that cover your ear. Instead, the sound travels from your cheekbones directly to the inner ear—and your music magically appears in your head!

IP66 dust/water protection

Hitting the trail in the rain? An IP66 rating means dirt or a downpour won't stop these open-ear headphones, and they're safe and easy to charge even after they've gotten wet. Simply wipe them down and attach them to the magnetic charging cradle.

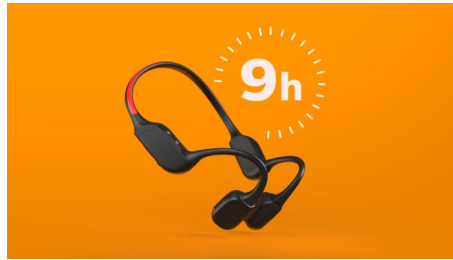

Safety LED lights

Run at night. Hike a mountain trail at dusk. Or cycle in the woods. With a bright LED light-strip

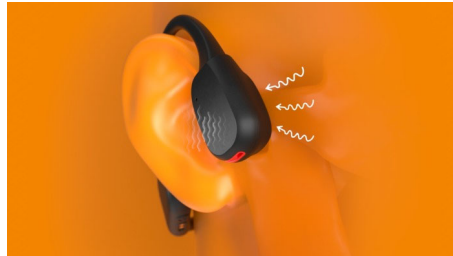

on the rear of the neckband, you'll stay visible in dim environments. You can control the LEDs via the Philips Headphones app, or via the on/off button on the neckband.

9 hours play time

Don't want to worry about daily charging? With 9 hours play time from a single charge, these bone-conducting open-ear headphones are good to go for multiple workouts. A full charge takes just 2 hours. For a quick extra boost, just 15 minutes charging gives you an extra hour of play time.

Crystal-clear calls

Taking calls? A unique combination of bone-conducting and AI mics means you'll always be heard clearly. The AI mic removes background noise in any environment. If you're out on a run or a ride, the bone-conducting mic removes annoying wind noise. Switch mics easily via a button on the neckband.

Light, comfy, tough

Why weigh yourself down? These open-ear headphones are so light you'll barely feel them, plus they won't fall off when you get moving. The neckband wraps around the back of your head, and loops over the top of your ears, to hold the headphones comfortably in place.

Easy control and pairing

Buttons on the neckband let you pause your playlist, take calls, control volume, and more. The headphones are ready to pair the instant you switch on Bluetooth, and you can connect to two devices at once. Great if you're listening to music on your phone and getting training notifications from your smartwatch.

Philips Headphones app

The Philips Headphones app lets you control the LED running light—and switch between the headphone's AI and bone-conducting mics for calls inside or outside. For music, you can choose from preset listening styles, or use the equalizer to fine-tune your sounds to fit your workout.

Specifications

Sound

- Impedance: 4 Ohm
- Speaker diameter: 17 mm
- Sensitivity: 92 dB (1K Hz)
- Frequency range: 130 - 16 000 Hz
- Maximum power input: 500 mW
- Driver type: Dynamic

- Wind noise reduction

Connectivity

- Bluetooth version: 5.2
- Supported codec: SBC
- Maximum range: Up to 10 m
- Bluetooth profiles: A2DP, AVRCP, HFP
- Multipoint connection

Convenience

- Philips Headphones app support
- Firmware updates possible
- Type of controls: Button
- Volume control
- Water resistance: IP66

Design

- Color: Black
- Ear fitting: Bone-conducting
- In-ear fitting type: Open fit

Power

- Music play time: 9 hr
- Battery type(Headphones): Lithium Polymer (built-in)
- Battery capacity(Headphones): 160 mAh
- Battery life standby time: 80 hr

- Charging time: 2 hr
- Fast charging time: 15mins for 1 hr
- Number of batteries: 1 pcs
- Battery weight (Total): 3.5 g
- Rechargeable

Accessories

- Charging cable: Magnetic charging cable, 200 mm
- Earplug: 1 pair
- Others: 1 pcs soft pouch
- Quick Start Guide

Outer Carton

- Number of consumer packagings: 3
- Outer carton (L x W x H): 22.6 x 18.4 x 19.5 cm
- Gross weight: 1.1 kg
- Nett weight: 0.21 kg
- Tare weight: 0.89 kg
- GTIN: 1 48 95229 12628 9

Product dimensions

- Product dimensions (W x H x D): 14 x 5.5 x 9.6 cm
- Weight: 0.038 kg

Packaging dimensions

- Packaging type: Box
- Number of products included: 1
- Type of shelf placement: Hanging
- Packaging dimensions (W x H x D): 17 x 19.2 x 7 cm
- Gross weight: 0.234 kg
- Nett weight: 0.07 kg
- Tare weight: 0.164 kg
- EAN: 48 95229 12628 2

UPC

- UPC: 8 40063 20229 0

Issue date 2023-05-06

Version: 6.0.2
