- Connects to your favorite voice assistant-enabled devices

PHILIPS

Soundbar 3.1.2 with wireless subwoofer
720W max. Wireless subwoofer Dolby Atmos. Cinema Experience, Play-Fi. Home Sound Made Easy, Connects with voice assistants

Highlights

3.1.2 channels. 720W max power

This soundbar brings max 720W (360W RMS at 10% THD) of powerful and rich sound to everything you watch. 3.1.2 channels fill any room with spellbinding soundtracks, thunderous effects, and crystal-clear dialogue. The wireless subwoofer adds impact to every explosion and every beat.

Dolby Atmos

Increase the drama no matter what you watch. This soundbar's up-firing speakers give you the full Dolby Atmos experience. Your favorite movies and shows will sound breathtakingly realistic as sound flows above and around you.

Wider soundstage

Widen the sound! Two extra tweeter speakers at either end of the soundbar broaden the audio to give you a clear separation of instruments. Pick them out easily and hear every instrument in the orchestra like you're really in the hall!

Stadium EQ Mode

Experience the excitement of live sports, right there in your living room. Stadium EQ Mode immerses you in ambient crowd noise, just like you were sitting in the stadium! Be thrilled by every crucial moment and still hear crystal-clear commentary.

Philips Wireless Home System

This Play-Fi-compatible soundbar gives perfect home-theater sound. Connect the soundbar to

TAB8907/37

any external and smart devices in your home. DTS Play-Fi connectivity and the Philips Sound App let you play your sounds throughout your home Wi-Fi network.

DTS Play-Fi Home Theatre

This Play-Fi-compatible soundbar gives perfect home-theater sound. It streams perfectly synced, high-quality audio between any compatible speakers, TVs and soundbars, creates a true surround-sound that elevate your home audio experience.

DTS Play-Fi. Multi-room audio

Easy Play-Fi compatibility makes this soundbar the star of your multi-room setup. You can sync Play-Fi-compatible speakers for multi-room audio, or even create a true surround-sound that flows above and around you.

HDMI eARC

Lose nothing from the mix when you're immersed in the drama. This soundbar is compatible with HDMI eARC, a high-speed connection that lets you experience the full effect of advanced audio formats like Dolby Atmos.
