Logitech Wave Keys MK670 Combo

Discover the feel-good wireless combo - with an intuitive ergonomic keyboard and mouse sculpted for day-long comfort and productivity.

Typing feels instantly familiar on Wave Keys' wavy keyframe design. A cushioned palm rest lifts pressure and improves wrist support. Meanwhile, the Signature M550 L's contoured shape and rubber side grip keep medium to large-sized hands comfy throughout the day. Both devices have been made with recycled plastic (10), have a long battery life (Keyboard: up to 3 years; Mouse: up to 2 years using included batteries(3)) and connect easily using Bluetooth or the included Logi Bolt receiver.

FEATURES:

- Meet the comfort combo: Get comfier with the Wave Keys Ergonomic Wireless Keyboard paired with the Signature M550 L Wireless Mouse a great fit for medium- to large-sized hands
- Type in comfort all day long: The wavy design of this compact keyboard places your hands, wrists and forearms in a natural typing position for all-day comfort
- More palm support, less pressure: A cushioned palm rest with memory foam gives you more wrist support throughout the day (1)
- Less noise, more focus: On top of its sculpted design and rubber grip, this quiet mouse uses SilentTouch technology to make workdays more peaceful with 90% less click noise (7)
- Scroll smarter: Scroll through documents line by line, or fly effortlessly through long web pages with SmartWheel

- Smoother days, your Way: Personalize your Wave Keys experience using the Logi Options+ App, where you can choose shortcuts that save time and keep your work flowing (2)
- Connect with Bluetooth or the Logi Bolt Receiver: Use Easy-Switch to switch between computer, tablet and phone (compatible with Windows/macOS/iPadOS/ChromeOS)
- Plastic parts in Wave Keys and Signature M550 L include certified post-consumer recycled plastic (Keyboard: 61%(5), Mouse: 65%(6)), and both products are certified carbon neutral
