

The wireless gaming pro – a winner in both aesthetics and workmanship

CHERRY MX 8.2 TKL Wireless – the elegant gaming pro. Without cables, full freedom of movement with full gaming power. With CHERRY Advanced Wireless Technology, you can choose your favorite connection from three connection modes. The interference-free and incredibly fast gaming mode with a latency of less than 1 ms is perfect for gaming. Multi-use Bluetooth with three channels to switch between multiple devices at the touch of a button. Or simply by cable...

Intelligent charging technology lets you play even while the keyboard is charging via the USB cable. The fine tenkeyless design in a solid aluminum housing is an eye-catcher on every desk.

With the CHERRY Gaming Software you can easily customize key settings so you can make the most out of them. Breathtaking light shows in over 16 million colors on each individual key can be set to your taste.

Depending on the version, you can choose your favorite MX switch. Up to 100 million strokes guaranteed thanks to the dependable CHERRY MX technology and Gold Crosspoint precision switches for all keys, "Made in Germany". The abrasion-resistant key lettering also ensures a long service life. The classic Cherry gaming features such as Win key lock, anti-ghosting and full n-key rollover as well as the metal case round off the overall package – for a particularly stylish and sustainable gaming experience.
