## Lenovo ThinkPad Professional Toploads Gen 2

### For the responsible professional.

The Lenovo ThinkPad Professional Toploads Gen 2 usher in a new era of style and sustainability. With their thoughtful design, these multifunctional topload cases not only keep your business essentials safe and organized but also champion the cause of a greener planet. Made with premium, lightweight materials, they effortlessly withstand the rigors of daily use.

### Why you need Lenovo ThinkPad Professional Toploads Gen 2

#### The responsible choice

The ThinkPad Professional Toploads Gen 2 are true embodiments of environmental awareness, equivalent to twelve 500 ml water bottles for the 16" topload and eleven 500 ml bottles for the 14" topload.

#### Total versatility

These toploads are equipped with a workstation and a zippered pocket on the front panel for easy access. Inside, you'll find a large main compartment, as well as a separate laptop compartment in the 16" model. For those after a slim solution, there's a 14" version with a single compartment, too.

#### Travel made easy

Multiple pockets inside the main compartment for organization. A smart cable slot providing on-the-go charging\* using your power bank and both a luggage strap and padded shoulder strap for effortless transport. All together, the perfect companion.

\* 16" Topload only.
