

V7 Monitor Riser Stand with Clamp

DT1RSC

SKU: HN2210

Unleash the full potential of your workspace with our Monitor Riser Stand featuring a convenient clamp design. This sleek and sturdy stand not only elevates your monitor to eye level for a more comfortable viewing experience but also saves valuable desk space with its innovative clamp attachment. Effortlessly secure the stand to the edge of your desk, and enjoy the freedom to adjust the height for a customized ergonomic setup. The stand's durable construction provides stability for your monitor, while the sleek design adds a touch of modern sophistication to your workspace. Say goodbye to neck strain and hello to a more organized and efficient work environment with our Monitor Riser Stand with Clamp.

- A configurable Monitor riser that can be clamped directly to the desk for more stability or freestanding
- Increase desktop space by converting to shelf or extension
- Supports up to 20Kg (44lbs) from monitors to printers for a desktop set up
- Increase monitor height for a more comfortable ergonomic viewing angle
- Space saving design to fit laptops and monitors up to 32"
