

HP Dragonfly Pro One 14 inch 16GB WWAN Ceramic White (889T1AA)

Powerful, adaptable, unbeatable

The adaptable HP Dragonfly Pro delivers a whole new level of speed, power, and performance when you need it, with a vivid touchscreen display, ample storage, and collaborative audio-visual tools—all backed by a sustainability features, long-lasting battery life, and one-touch access to 24/7 live support.

All-day power in a compact laptop that adapts to you

Handle everything the day throws at you with an AMD Ryzen™ Processor, long battery life^[1], and tons of storage.

Help at the touch of a button

Get the help you need when you need it with one-button access to 24/7 live support^[2] right from the keyboard.

Put your best self forward

Look and sound amazing on this high-definition touchscreen with 5MP camera and professional audio.

Featuring

Get a fresh perspective

Windows 11 provides a calm and creative space where you can pursue your passions through a fresh experience. From a rejuvenated Start menu, to new ways to connect to your favorite people, news, games, and content—Windows 11 is the place to think, express, and create in a natural way.^[3]

AMD Ryzen™ 7000 Series Processors

Get the speed you need to take your ideas to the next level with laptops powered by high-performance AMD Ryzen™ processors. With a whole new level of speed and power, you can work without limits.^[4]

AMD Radeon™ graphics

Whether it's games or movies, experience high performance for all your entertainment.

Micro Edge display

By squeezing a larger screen into a smaller frame, this ultra-thin, barely visible bezel revolutionizes your display's appearance with a beautifully efficient design.

100% sRGB

Showcase your creations in all their colors on the 100% sRGB display for maximum color broadness and accuracy.

 Windows 11

Specifications

Product color	Ceramic white
Processor	AMD Ryzen™ 7 7736U (up to 4.7 GHz max boost clock, 16 MB L3 cache, 8 cores, 16 threads) ^[6,7]
Chipset	AMD integrated SoC
Internal Storage	512 GB PCIe® NVMe™ M.2 SSD
Display	14" diagonal, WUXGA (1920 x 1200), multitouch-enabled, IPS, edge-to-edge glass, micro-edge, anti-reflection Corning® Gorilla® Glass NBT™, 400 nits, 100% sRGB ^[2,8]
Display size (diagonal)	14"
Audio	Audio by Bang & Olufsen, quad stereo speakers
Minimum dimensions (W x D x H)	12.39 x 8.78 x 0.72 in
Weight	Starting at 3.2 lb (<i>Weight will vary by configuration.</i>)
Input devices	Accelerometer; Gyroscope; Color temperature light sensor; IR thermal sensor; HPD ultra-low power ultrasonic sensor
Camera	5 MP RGB-IR camera with electronic shutter and integrated wide-range microphone array (1 front-facing individual, 1 world-facing conference mode) ^[30]
Ports	2 USB Type-C® 40Gbps signaling rate (USB Power Delivery, DisplayPort™ 1.4); 1 USB Type-C® 10Gbps signaling rate (USB Power Delivery, DisplayPort™ 1.4, HP Sleep and Charge) ^[19,20]
Wireless	Qualcomm® Wi-Fi 6E WCN685x (2x2) and Bluetooth® 5.2 wireless card
Power	96 W USB Type-C® power adapter
Power supply type	96 W USB Type-C® power adapter
Battery life	Up to 15 hours ^[3]
Battery recharge time	Supports battery fast charge: approximately 50% in 30 minutes ^[5]
Energy star certified	ENERGY STAR® certified
Special features	4 dedicated keys (customizable key, myHP access, 24/7 Pro Live Support, HP SmartCam)
Sustainable impact specifications	Outside box and corrugated cushions are 100% sustainably sourced and recyclable; 15% post-consumer recycled plastic; 65% recycled metal
Security management	Mic mute key; Trusted Platform Module (Discrete TPM) support; Speaker mute key; Camera electronic shutter
Software included	myHP; HP 1E Performance Assist ^[32]
UPC number	197497744484
Manufacturer Warranty	For laptop support call 1-866-204-8618. For printer support, call 1-888-447-0148. Limited support hours may apply for plan-related questions. See 24/7 Pro Live Support data sheet for complete details. ^[14]
What's in the box	Documentation; Power adapter

Messaging Footnotes

[1] Up to 15 hours battery life requires laptop configured with Windows 11 Home, AMD Ryzen 7 7736U CPU, diagonal 1920 x 1200 Full HD display. Windows 10/MM18 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details.

[2] Subscription Care Pack needed after first year. Available on select products for the first year. See 24/7 Pro Live Support data sheet for complete details at <https://www8.hp.com/h20195/v2/GetDocument.aspx?docname=4aa8-2766enw>

[3] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.

[4] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.

Technical Specifications Footnotes

[2] All specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower. Actual brightness will be lower with touchscreen.

[3] Windows / MobileMark 18 Battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See <https://bapco.com/products/mobilemark-2018/> for additional details.

[5] Recharges your battery up to 50% within 30 minutes when the system is off (using "shut down" command). Recommended for use with the HP adapter provided with the notebook, not recommended with a smaller capacity battery charger. After charging has reached 50% capacity, charging speed will return to normal speed. Charging time may vary +/-10% due to System tolerance. Available on select HP products. See <http://store.hp.com> for a full list of product features.

[6] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.

[7] Max Boost clock frequency performance varies depending on hardware, software and overall system configuration.

[8] Actual brightness will be lower with touchscreen or Sure View.

[14] Wireless access point and internet service required and sold separately. Availability of public wireless access points limited; Call 1.800.474.6836 or support.hp.com for more information on Care Packs available after standard warranty expires. After standard warranty expires, an incident fee may apply.

[19] For best results with HP Charge, use a USB charging protocol standard cable or cable adapter with an external device.

[20] SuperSpeed USB 20Gbps is not available.

[30] Camera resolution refers to the image sensor active pixels. The actual image capture pixels depend on the app and/or aspect ratio selected.

[32] HP Services Scan is provided thru Windows Update and will check entitlement on each hardware device to determine if an HP 1E Performance Assist service has been purchased and will download applicable software automatically. HP 1E Performance Assist is a telemetry and analytics platform that provides critical data around devices and applications and is not sold as a standalone service.
