[1] HP+ offer of 6 months free trial to be combined with a \$30 credit that will be added to your account. This will cover 12 months of service on a monthly \$4.99 plan. Other plans are available for different lengths of time. After you have successfully registered your printer and created your HP Connected Account and Service Account, you must redeem your offer and select an Instant Ink plan. The Service begins when the offer is redeemed. Rollover allows unused pages in a month to be placed in a rollover account and then applied to pages in excess of your monthly allowance. The rollover account balance is limited to a maximum of twice the pages available in your plan. The ink balance will be decremented for any overage fees, resulting in less months of printing. Redeeming your offer requires Internet connection to eligible HP printer, email address, and delivery service in your geographic area. Printers require direct connection to the Internet for program participation. Unless service is cancelled within promotional period online at <http://www.hpinstantink.com> a monthly service fee, based on the plan chosen, plus tax and overage fees will be charged to your credit/debit card. One offer redeemable per printer. Offer valid through December 31, 2022. Offer cannot be redeemed for cash. For service details, see: <http://www.hpinstantink.com>

[2] Requires the HP Smart app download. For details on local printing requirements see <http://www.hp.com/go/mobileprinting>. Certain features/software are available in English language only, and differ between desktop and mobile applications. Subscription may be required; subscription may not be available in all countries. See details at <http://www.hpsmart.com>. Internet access required and must be purchased separately. HP account required for full functionality. List of supported operating systems available in app stores. Fax capabilities are for sending a fax only. After 2 years, monthly fee applies to continue advanced features with HP Smart Advance. HP Smart Advance is not available in all countries. For more information, see <http://www.hpsmart.com>

[3] Wireless operations are compatible with 2.4 GHz and 5.0 GHz operations only. Learn more at [hp.com/go/mobileprinting](http://hp.com/go/mobileprinting). Wi-Fi is a registered trademark of Wi-Fi Alliance®.

[8] Measured using ISO/IEC 24734, excludes first set of test documents. For more information see <http://www.hp.com/go/printerclaims>. Exact speed varies depending on the system configuration, host OS, port-monitor, software application, driver, and document complexity.

[9] Utilizing technology in the HP+ system and compared to HP standard consumer printers without HP+. HP+ printers are ready when you are with improved connectivity utilizing Smart Driver and Print/Scan Doctor technology, more secure with Smart Security technology, more productive through HP Smart Advance features included for 2 years, and more sustainable by enabling Forest First printing and net-zero deforestation prints.

[11] Based on plan usage, Internet connection to eligible HP printer, valid credit/debit card, email address, and delivery service in your geographic area.
