Rugged Life Speaker

SOUNDPOWER

Speaker Basics

Charging

Connect the speaker with the USB cable to a computer or charging port. The indicator light will flash red while charging, and will turn off when charging is complete.

Charging

Charging

Safety & Precautions

- Always store the speaker with the power off and in a clean, dust-free environment.
- Avoid storing the speaker in extreme temperatures that may affect battery life and speaker performance.

Pairing with Your Device

1. Turn on the speaker to enter Bluetooth mode.
2. The indicator light will flash blue to indicate the speaker is in Bluetooth mode.

Bluetooth mode

3. Turn on Bluetooth on your device. Search for the device “Ematic SoundPower” and tap to connect. When the speaker and your device are paired, the speaker will chime.
4. You may have to enter a password on some devices with an older version of Bluetooth. Enter “0000” as the password and confirm it.

Using an AUX Cable

When the speaker is connected to an AUX cable, the indicator light will alternately flash green and blue. Playback is also controlled by the audio player.

Playback & Phone Controls

Hold to turn down the volume.
Press twice to go to the previous track.

Press to answer a call or hold to reject.
Press to play or pause.

Hold to turn up the volume.
Press twice to go to the next track.

Troubleshooting

Problem	Solution
I can't turn hear my music.	Check the speaker volume. Make sure the speaker is paired correctly to Bluetooth or connected to an audio cable.
I can't connect to the speaker wirelessly. OR I can't connect to the speaker via Bluetooth.	Check if bluetooth is on and if your device is connected. Please refer back to "Pairing with Your Device".
Can I connect more than one Bluetooth device?	No, only one Bluetooth device can be connected at a time.
I can't answer or end a call.	Some mobile devices don't support hands-free calling.

Problem	Solution
I hear crackling.	An object is obstructing the Bluetooth connection between the speaker and your device or they are too far apart. The speaker must be within 33 ft. of your device.

Technical Specifications

- Bluetooth 2.1
- Speaker: Omnidirectional
- Power: 2W x 3W
- 3.5mm audio jack
- Built-in 1800mAh Battery
- Playing Time: Up to 20 hours (depending on volume level)
- Charging Time: About 6-8 hours
- Unit Weight: 0.5lbs
